WICHITA A'S MEETING MINUTES

Minisa Park, March 25, 2019

Following a Kansas Road Trip presentation by **Marci Penner** and **Wendy Rowe**, and refreshments provided by **Susan Stone**, **Donna Hileman**, **Claudia Ellerman**, **Trudee Harshfield** and **Kathy James**, **President Mike James** called the March 25th, 2019 meeting of the Wichita A's to order. New members **Eric and Karen Schoenecker**, **Max Bahre** and **Paula Scott**, and **Richard and Connie Craft** and visitor **Dennis Law** were introduced. **Dennis Ellerman** reported on the destruction of antique cars in California due to the current disasters that state has suffered. **Wayne Orr** moved and it was seconded and passed to approve the club's February minutes as printed in the newsletter. **Treasurer Claudia Ellerman** gave an updated treasure's report. The **Jim Broadheads** have received a 45th year-of-membership pin from MARC and the **Bob Beavers** have received a 35 year pin. Sunshine Lady, **Bonita Graham**, reported that **Judy Hill's** mom has passed away and that **James Sharp** was currently in the hospital. Congrats to the **John Stones** upon the birth of their first great grandson.

The club was reminded to take pictures of all tours for the newsletter. The following upcoming tours were discussed: March 30th– Shakedown Tour to Lindsborg by the **Broadheads**, April 6th– Cotton Gin tour by the **Sharps**, April 27th Spring Mystery Tour by the **Ludlows** and **McLaughlins**, May 2-5th Big Kansas Road Trip by the **James**, May 20th Club Picnic at the **McLaughlins**, June 22nd Lost City of Etzana Tour by the **Beavers** and **Kibbes**, and October 10-12th Oktoberfest by the **Hoffmans'** and **Kibbes**.

PRESIDENT'S MESSAGE

The 2019 Shake Down Tour turned into a real shaker-like shaking from cold! We not only tested the Model A's for fitness but also the fitness of Model A'ers to brave the elements! The Lindsborg, Kansas trip proved that the weather in Kansas can be finicky but when the weather is out of character for the season, the true character of Model A'ers in Kansas shines through. Like the associated motto of the US Postal Service; "neither snow nor rain nor heat nor gloom of night stays these couriers from the swift completion of their appointed rounds", the tour was completed and cars and their associated riders were deemed fit for serviced. So here's to a great Model A season of touring and a thought– the next tour will be warmer! A big thank you to **Jim and Brenda Broadhead** for organizing a terrific tour. Ahooga On.

Mike James
President

NOTE FROM THE EDITOR

It has been some crazy weather this month in Kansas! Warm, cold, sunny, hot, windy and cold again ! I'm ready to settle in to nice weather! Lots of activities are on the horizon with many choices for everyone. Hope everyone has time to enjoy the tours and their cars. A reminder in May that the picnic will be in lieu of our regular meeting time. Again, if anyone would be interested in helping write an article for the Tech news I'd really appreciate it, and so would Richard! Thanks again in advance. Happy Spring and Touring!

Editor

Don't You Agree?

People born in the 50's have lived 7 decades, 2 centuries, and 2 millenniums. We had the best music, fastest cars, drive-in theaters, soda fountains and happy days. And we are not even that old yet, we're just that cool.

March Program

Our March 2019 meeting had good member attendance and provided a receptive audience for our guest speaker, Marci Penner and her book coauthor, WenDee Rowe. As evidenced by the number of book sales for "The Kansas Guidebook 2 for explorers", Ms. Penner & Ms. Rowe were well received by our members and their thirst for information on our great state of Kansas. Ms. Penner provided a 30 minute talk high-lighting the May 2019 Big Kansas Road Trip sites which is scheduled for the first weekend in May.

PAST TOURS

SHAKE-DOWN TOUR

Despite the cold, windy and wet weather we had a good attendance for the Shake Down Tour to Lindsborg on Saturday, March 30. There were eighteen Model A's and two modern cars that made the trip. We toured the Smoky Valley Roller Mill which was built in 1898 and was in operation until the 1950's. The mill was restored to full working condition in 1961. It is now operated once a year on the first weekend in May. They do a dry run with no grain but you can see how the mill runs and experience the noise and shaking of the building as the workers did when they were grinding grain. There were about five cars that made the trip over muddy roads to the top of Coronado Heights. Everyone was on their own after the Museum to eat lunch and explore Lindsborg at their own pace. We did not hear of anyone having car trouble and all made it home safely. Thank you to everyone that braved the nasty weather!

Cotton Gin Tour

April 6, 2019, 19 Model A's and 5 modern cars left Derby and headed to Winfield to enjoy a wonderful lunch at Shindigs.

After Lunch we traveled west of Winfield to tour the Cotton Gin, operated by the Southern Kansas Cotton Growers Inc. We learned about the production of cotton and also toured the working gin.

Leaving the cotton gin we traveled west to Oxford and toured the Sunflower Shrimp Farm. This is the only commercial shrimp farm in Kansas. We learned that growing shrimp is a science and it has taken the Daniels 4 years to perfect their operation.

Big Kansas Road Trip

Planning is under way for the Big Kansas road trip #2. The event will be four days beginning on Thursday, May 2 with a return on Sunday, May 5, 2019. This is a long trip! Because of the distance to NW Kansas, the trip will take four days to complete. The trip will require three nights on the road with overnights in Scott City (May 2), Goodland (May 3) and Phillipsburg (May 4). The total trip length is 769 miles with the first day being the longest travel day at 237 miles to Scott City. The trip will require approximately 18 miles of travel on dirt road to see the Arikaree Breaks. Stops are planned at McCarty Family Farms (Scott City), United Telephone Building tour, National Weather Service Tour, High Plains Museum, Ennis-Handy House Tour, Olde Westport Spice Factory Tours, White Eagle Gas Station Open House, Invitation Open house at Matt Murray's Custom Body & Paint, Open House at the Gulick House (Goodland). St. Francis Motorcycle Museum, Fresh Seven Coffee at Union Square (St. Francis), tour of Arikaree Breaks (N. of St. Francis). Historic Conoco Station (Norton, KS) Evening dinner on Saturday at the Chubby Pickle (former Phillips 66 station) (Phillipsburg, KS). Return to Wichita on Sunday, May 5 with the last trip leg (Phillipsburg to Wichita) at 216 miles. Final details for the trip are still being worked out. If you are interested in participating please contact Mike James at 316-253-1414 (call or txt) or email: kmkjames@gmail.com

Additional information will be sent out via email as it becomes available.

Deadline for signing up is Saturday, April 20, 2019

MAFFI Newsletter Minute April 2019

What's new at the Museum?

The museum has recently been gifted with a very early—A-1276—Light Delivery Model A by the family of Ron Rude from Quincy, CA. This is a very unique vehicle.

The May-June 2012 issue of the Model A News featured the Rude Early Delivery as part of the coverage of the MARC National Meet in San Diego. The vehicle has very low mileage, has a number of very early features and will be a great addition for the Museum. Mr. Rude's son has also forwarded all the files and information that his father accumulated so we will have a complete history of the restoration and other details.

Make every effort to attend this year's Model A Day on September 21st to see this and many other "Unique & Original" cars that will be featured. For more information on Model A Day, contact Jerry Morrissey: jertrudy@sbcglobal.net.

COOLING SYSTEM

Petcock

Before

After

End of wire in overflow tube.

Now that driving season is approaching this is a great opportunity for some preventive maintenance to your Model A cooling system.

I like to start by opening the petcock on the lower radiator hose and start draining the system while supplying fresh water with a garden hose at the radiator neck. After the water draining runs clear I like to start the engine set at a high idle and continue flushing the system until it runs clear. Now that the system is clear you must add an anti-rust and water pump lube. Without using the anti-rust the entire unit will start to rust. This is the brand I use but there are several others on the market.

Another cheap safe guard is a small magnet hooked to a wire which is placed in the radiator tank. The end of the small wire is dropped in the overflow tube. The small round magnet was available at the Yard Store in Wichita, KS.

Attention: Any antifreeze used in your cooling system has to be treated as a hazard waste material.

ERA FASHIONS

Women's Daytime Wear 1929

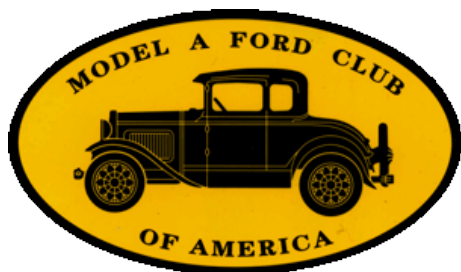

Skirts are still at the knee for daytime wear. Pleats were often arranged in front or at either side of the front, or in clusters at one side. Loose panels were seen in the back of the skirts. Drapes and flares continued to give fullness, although the hipline was snugger than in 1928. Some of them were square, round, and the "V" was still popular. Matching jackets, short or three-quarter length were stylish. Cloche hats continued to be popular, many with brims, side ribbons or ornaments. The brim of the hat was slightly above the eyebrow.

- A. A bloused waist front with lace at the V-neck, tucks at the shoulders, and a jabot with a rhinestone pin accent this dress. The skirt has a wrap around design and a rhinestone pin.
- B. This dress has a bloused waist front finished with lace. Bows at the cuffs, a scalloped front peplum, and shirring in front add interest.

The Rumbleseat Review is the official publication of the Wichita A's Model A Ford Club, Inc., a local chapter of the Model A Ford Club of America and the Model A Restorers Club. It's purpose is to keep members informed of past, present and future events, activities, and club news. In addition, this newsletter includes articles and other information to aid in the restoration and enjoyment of the Model A Ford automobile.

This publication is mailed or emailed to members, prospective members and editors of similar publications prior to monthly meetings. Meetings are usually the fourth Monday of the month. Members may publish antique car related ads only for free of charge which includes items wanted, items for sale, or items for trade. We invite members to submit articles containing technical Model A information and other interesting tidbits for publication in this newsletter. Items to be published must be submitted to the newsletter editor by deadline shown in the calendar. Wichita A's membership dues are \$25.00, per year (October to September 30). MAFCA dues are \$50.00 per year and MARC dues are \$45.00 per year. A business card advertisement in this newsletter is \$25.00 per year.
