Wichita A's Meeting Minutes

October 25, 2010

Note from the President

President, Jim Broadhead, called the 284th meeting of the Wichita A's to order at 7:00 p.m. on October 25th, 2010. There were 126 folks present. New members present were Bob & Janet Hay, Gerry Lampe, Linda Bales, and Corky Armstrong. Lawrence Kottas moved the minutes from the previous meeting be approved as printed in the October newsletter. Wayne Orr seconded the motion and it was passed. Treasurer, Ray Harshfield, gave an updated treasurer's report. Bonita Graham, Sunshine reporter, gave updates on the following members: Alice Andra, Hazel Roberts, and Ed Giesen, and reported the death of long time member, Al Pendleton. "Thank you" notes were received from Ft. Hays State University, Harry Hynes Hospice, and Ed Giesen. Wanda Stefens, MARC/MAFCA representative, reported that MARC has been notified that we have declined to sponsor their MARC Membership Meeting. No WACC report was given this month.

Old Business: Jim Clark reported on All Ford's Day at Camp Hiawatha and Richard Kibbe shared information on the Fall Fling Tour to Joplin. Claudia Ellerman reported that the 2013 Regional Meet that we are hosting will be held at the Airport Hilton from June 17-21st. Frank Chenoweth reported that our club would be getting a 5-year contract from the Coliseum (Kansas Pavilions) for the swap meet sometime after the first of the year. Our insurance for this event will be coming from MAFCA this time. The heads of committees for the swap meet have been assigned and worker assignment sheets will be ready to fill out at our next meeting.

The following events were mentioned and detailed information was presented at the officer's table: Asbury UMC festival on Friday, Oct. 29th, Veteran's Parade in Cheney on November 6th (call Doris Jean Ludlow

for more information), and a Christmas Parade in Delano at noon on December 4. A \$10.00 fee and completed entry form required (contact Jim Broadhead for a form if you didn't pick one up at the meeting).

Upcoming club events: 42 signed up for the Men's Tour on October 30-31st. (Tom Ruggles and Chris Cushman in charge) Paramount Antiques Tour on Saturday, November 13th from 11:00-2:00. No early gathering, just come on your own a little before 11:00. Lunch is provided. (Tom Ruggles and Fred Hilger in charge) Donna Hileman reported on the Ladies Christmas Luncheon scheduled for December 4. Those wishing to attend the Club's Christmas Party on December 11th needed to have signed up by the end of the club meeting this month. (Kibbe's and Graham's in charge). Don Grabendike's annual New Year's Day breakfast and tour will be on New Year's Day. Bring your card's to be punched.

New Business: The November 22nd meeting will be the Annual Club Charity Auction. Thanks to Wayne Orr for securing the McCurdy Auction folks for us. Bring a canned good, your auction items, and an open wallet for charity.

After a 15-minute break and refreshments provided by Glenda Sill, Donna Hileman, Joyce Guinty, Judy Hill and Vicky Hildibrand, Chris Cushman presented a video program called "Yokohama Model A". After the program the meeting was adjourned.

Dawna Ruggles, Secretary

With the touring season about over for 2010, I would like to thank all who planned and pulled off a group of very exciting tours.

Many of our members attended Regional, National and World Model "A" Meets during the past year. This enthusiasm in our club has made us one of the best in the country.

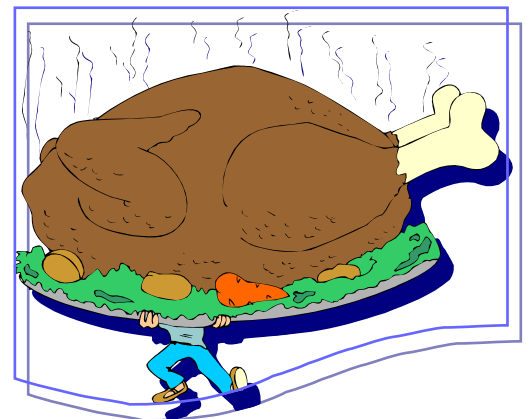

Don't forget the Charity Auction at our November meeting. Bring items to the auction and money to buy. Ed Giesen will be bringing his truck for us to fill with canned goods and non-perishable food which will be donated to the Kansas Food Bank.

Three people have volunteered to select three charities for the auction proceeds to go to. Dawna Ruggles, Lenette Kottas and Brenda Broadhead have selected Operation Holiday, Share the Season, and the Wichita Childrens Home. Your money or check will go to the charity of your choice. This will make the process much easier for our treasurer.

We will not have a meeting in December but there will be the Ladies Christmas Luncheon, Club Christmas Party and New Years Day Excursion so don't put old Betsy away for the winter just yet.

Swap Meet will be here soon so look at your schedules and allow time to sign up and help.

Jim Broadhead, President

Note from the Editor

There are two reminders that are very important to you. (1) There will not be a Wichita A's club meeting in December. (2) The next newsletter will be published in January.

A lot of our surrounding Model 'A' Clubs email me their newsletter. If you would like to receive their monthly newsletters via email, please contact me and I will email them to you. This is a good way to learn about other club's and their activities. If you don't want the emails but are interested in what they are doing, you can also check out our web site, wichitaas.com, click on Links.

I have updated the Swap Meet Schedule in this newsletter. There are a few swap meets marked with "TBA" I haven't located the dates for 2011 yet. In the event you are aware of the dates, please let me know.

It is exciting to see how our club is growing. We have had a lot of new people join our club lately. Are you wondering what the upcoming annual Charity Auction in November is all about? You can read the article, "What is the Charity Auction All About?" in this newsletter.

The program for January meeting will be explained as to how the 2011 Sunflower Swap Meet works. They will be asking for everyone to volunteer so we can make the swap meet successful.

The February program will be our tour planning meeting. Ideas or suggestions for a tour in 2011 can be sent to Richard Kibbe, our Tour Chairman, at tour-chair@wichitaas.com or call

Richard and I would like to wish you and your family to have the best and most fun filled Holiday Season yet!

Linda Kibbe, Wichita A's Editor
editor@wichitaas.com

Future Activities & Tours

Ladies' Christmas Luncheon

December 4, 2010 - 1:00 p.m.

Aunt Sue's in Mulvane

1134 N. River Road

Directions to Aunt Sue's are:

- From South Rock Road and South K-15
- Go south on K-15 4.9 miles
- Turn right at North River Road 1.4 miles (to Aunt Sues)

We thought this year it would be nice to bring something for the girls at Maude Carpenter's Children Home to help make their Christmas a little better. The girls ages are 9 years – 18 years. (socks, scarves, gloves, nail polish, lotions, bracelets or jewelry).

Also note: Ladies, we will be asking you to share a favorite Christmas tradition or bring a favorite Christmas ornament to show.

Donna Hileman

Doris Jean Ludlow

Club Christmas Party

December 11, 2010 5:30 p.m.

Diamond W. Wranglers and Diamond W. Chuckwagon Supper is located at 1865 West Museum Blvd., Wichita, KS. At Wichita's Historic Old Cowtown Museum Empire House Theater.

The doors open at 5:30 PM, meal at 6:30 PM and the entertainment will follow the meal.

The seats are presently sold out.

Kibbes Grahams

A First Tour

January 1, 2011

The first tour of 2011 will start with lunch at the Asia Town Buffet Located at 6160 E. Central. Join us at 11:30 followed by an exciting tour of the east side.

Get your window scraper out and bundle up-----we are going to have a great time.

Don't forget to bring your "FIRST TOUR CARD". No reservations are needed. Just show up. Lunch is on your own.

Mother Nature will provide the fun!

The Wizard

The Pendleton Family Thank You

The family of Allan Pendleton would like to express our sincere thanks and appreciation to everyone in the Model 'A' Club who reached out to Dad during his last days. His wish was to die at home just like Mom did, and because of your willingness to share your time he was able to do just that.

We cannot say "Thank You!" enough for the visits, the cards and the wonderful meals that were provided. Thanks are also in order to the club members who drove their Model A's to both funerals. It was nice to see the cars and the people that had meant so much to our parents throughout their lives be there one last time to send them "on the road again" to their final resting place. We picture them happily together again, and most importantly, healthy together again! We have truly been blessed that our parents had such a special group of friends who helped take such great care of BOTH of them during their final days. We could not have done it without you!

The Wichita A's are an awesome group of people! We will never forget what you did for the Pendleton family!

Sincerely,

Allan Pendleton, Jr. and Family
Caron Patterson and Family

Help Bob !!!

Who is the nice gentleman who provided a Bendix for Bob Beaver's car on the Joplin Tour? He would like to give a Bendix back to you but doesn't remember who you are. If you are a very nice gentleman and gave Bob your Bendix, please call him at

Thank You Wichita A's

The Wichita Early Ford V8 Club of Wichita Thanks the Wichita 'A' Model A Ford Club for their donation to our "All Ford Day". Also we want to thank you for the support you have given us in the past years.

Gilbert Adams

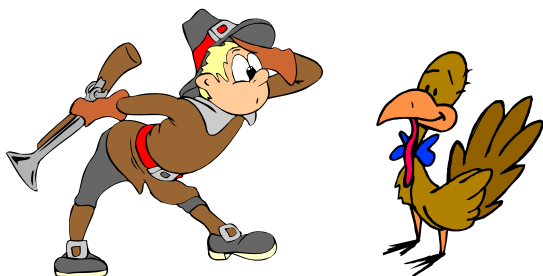

Dues Were Due October 1st. Have you paid yours??

About 80% of the Club Members have paid their 2011 dues which means 20% have not paid. As of January 1, 2011 your names/ addresses will be removed from the Club Mailing Lists.

To pay your dues, send them to:
Wichita A's, PO Box 25, Wichita KS 67201.

If you are in doubt whether you have paid or not, check with Susan Stone (Membership Chairman) at the next meeting.

What is the Charity Auction All About?

For many years the Wichita A's have held a Charity Auction for the program during the November club meeting. For old timers this is an event we look forward to in order to help our local charities. For new comers this is what is entailed. An auction is held following the November club meeting. Admission to this auction is a donation of food (canned or dry goods), which is collected and donated to the Kansas Food Bank. We bring items we want to sell and we bid on and pay for items we win. Everyone brings item(s) like Model 'A' parts, household items, food or craft items to sell to the highest bidder. Remember, junk does not bring in much money and good items bring in a lot of money.

The proceeds from the auction will be donated to three charities which have already been selected for this year. The three charities are Operation Holiday, Share the Season, and Wichita Childrens Home.

When the auction is over, to whom and how do I pay? You keep track of your personal winnings and total up the amount you owe. You can pay cash or write a check to the charity of your choice. There will be someone, in the back of the room, who will collect and give the money to the designated charity.

This auction is a fun and entertaining social event that also benefits our local charities. McCurdy Auction has graciously volunteered again this year to do the auction.

If you have any questions, please contact one of the officers of the club.

Kirk's Meadow

Two years ago when **Gary** and **Pamela Kirk** were in Texas they noticed a swap meet in Belton, Texas and stopped to look around. They bought a golf cart that they thought they could use at home. While **Gary** was loading it in the back of the pickup **Pam** was looking around some more and came to ask **Gary** if he had seen the Model A Sedan Delivery for sale. He had looked at it and moved on but since **Pam** thought it was really neat he went back to take another look. They thought the price was too high so they came home without it,

In the next few days **Gary** called the owner in Hillsboro, Texas and made an offer on the Sedan Delivery which was declined. A day or two later the owner called and accepted **Gary's** offer so they hooked up the trailer and went back after it.

They have since added the **Kirk's Meadow** vinyl inscription and art work on the sides which **Gary** purchased from a vendor at the Iola, Wisconsin swap meet.

When the **Kirks** built their home on 7 acres north of Maize, the Metro Planning Commission rezoned the area, from farm ground to residential and named it **Kirk's Meadow**. The **Kirks** were very happy with the name and thought they should inscribe the name on their sedan delivery. RG

THERE WAS A WEDDING

Roger Grube with daughter **Kim**.

Kim and **Matt Churchman** were married Sept. 18th at the University Congregational Church.

Davidsons' Hand Me Down

Charles E. Davidson took a job at the Coleman Company of Wichita in 1918 in the engineering department. He continued to work there for 40 years until 1958. The family still has his 40 year service pin.

Grandfathers Coleman parking sticker was still on the windshield which was broken in the restoration process.

Sometime around WW11, Mr. Davidson purchased a 30 Model A Ford Coupe for a work car. The previous owner is unknown but some of the family lore indicated that it was a service car for a filling station on North Broadway. In those days before jumper cables it might be more accurate to refer to it as a "push car" as the front bumper had vertical bars attached, that looked like spring leaves. This would have allowed them to give a push to about any vehicle.

Mr. Davidson died in 1959 and his children inherited the Model A. For the next 32 years, his son, Victor kept the car but never bothered to title it. In 1991 he died and two of his sons wound up with it. They had quite a time getting the title cleared and in their names.

Charley, our current club member, and grandson of Charles E. took the car "under his wing" and started to work on it. Over a period of years He restored the chassis and maintained the hydraulic brakes, tube shocks and 16" wheels. He knew he wanted a driver so he kept the modifications that had been added over 40 years previous.

This car had really "been through the mill". It was painted medium green all over. **Charley** wonders if it was Coleman green? When he stripped the paint from the panel above the rear window he discovered some lettering that looked like "Free Pickup and Delivery" which seems to verify the filling station, push car theory.

The car had a steel top that was welded on. The underside of the visor was welded to the header panel. The rear fenders had been replaced with the narrow sedan fenders, cut down the middle from front to back and a 2"-3" strip welded in to make them wide enough. This required new fenders. The firewall was really butchered to accommodate numerous modifications and had to be replaced. The entire sub-frame for the body had to be replaced.

After 10-12 years **Charley** sent the car to a body shop in the western part of the county. He had high hopes for nice body work and paint but after 2 ½ years he picked it up without it being finished.

Charlie and Marcelyn Davidson

In his search for a reputable restoration shop he commissioned, **Ron Kester** of **Ron's Restorations** in Glade, Ks to complete the job. **Ron** took the car in Sept. 09 and finished it in July, 2010. His shop totally disassembled the body, started over, and did it right.

Charley and his wife **Marcelyn** are very satisfied and proud of the car and hope to participate in some club activities. RG

Charlie chose to use the original rear window with the Kansas Safety Sticker from the fifties. Also has hole inflicted by a BB gun. Charlie and his brothers would not own up to it.

Right is a close up photo taken of the rear window of Davidson's coupe.

Location of BB Gun Hole

Future Activities & Tours

Fall Fling Tour to Joplin

Photos taken by Kerry & Wanda Steffens

Thirty Model A's and two modern cars left on October 15th for Joplin, MO on a three day tour. The first day was a travel day. After arriving in Joplin we were given a tour of the PMI Paint Factory. They showed us how "Powder Coat Paint" was made.

We were given an extensive, behind the scenes, tour on how candy is made at the Chocolate Factory. While one half of the group was taking the tour the other half was purchasing candy. If you are a relative to any of the shoppers you now have an idea as to what you might expect for a Christmas gift.

Next we toured the Tri-State Mineral Museum. Kerry & Wanda Steffens left early for the Rainbow Bridge, near Riverton, KS so they could get set up and take photographs of our individual cars driving over the bridge. Thank you Kerry & Wanda!

We ate lunch at "Café on the Route" in Baxter Springs, KS. Richard & Amy Sanell are the owners. The chef, Richard Sanell, was featured on Diners, Drive-In and Dives on Food Network TV a couple of years ago. He did an outstanding job with our meal.

On the way back to Joplin, the leader (me....) missed the turn to the Tri-State Marker, (the point where the states of Oklahoma, Missouri and Kansas meet), and continued on to Joplin. I corrected the mistake the next morning and we stopped at the Tri-State Marker on our way home. We found two markers, one old and one new. The new one was located 50 feet east of the old one. Following a more recent survey, Kansas gained ground with the placement of the new marker.

We took the southern route home through, Niotaze, Sedan, Cedar Vale and Dexter. At Dexter two of the groups decided on the adventure of taking the shortcut to Winfield. There was plenty of road kill on this road to make possum stew but mostly aged a bit too much. We ate at the restaurant in downtown Winfield and parked on Main Street. Thirty Model A's on Main was quite a spectacle for the local residents.

Bob Beaver had to replace his broken Bendix at the motel the first night. Bob Bruce started to have a major engine problem in north Joplin and drove the phaeton to the motel. It went home on a trailer being pulled by Frank Chenoweth's modern truck.

The weather was surprisingly beautiful for the middle of October. The trees were just beginning to change colors.

Wichita A's Mens Tour

Photos taken by Richard Kibbe

We left town on Saturday, October 30th for a fun filled weekend. We toured Howard Alger's large private car collection near Chanute, KS. After lunch at the Grain Bin restaurant in Chanute, visited Mark Freimiller's Model T Haven in Iola, KS.

The next morning we drove to Florence, KS, had lunch and then visited Joe Hayes' Salvage yard. Joe was featured recently in Old Cars Weekly magazine.

There were 38 men and 22 Model A's on the tour. Several of the guys got good deals on Model 'A' parts at Model 'T' Haven, but no one was able to make a deal on parts at Florence.

We drove about 330 miles, and experienced no car problems.

Bottom Right: Unknown Non Club Member, Chris Cushman, and Gilbert Adams

Bottom Left: Jim Clark with supplies.

Tech Talk

Technical Tip

As a long time Model A owner there are always two items that I keep close at hand for quick access when needed. The two items are a 5/8" combination wrench, handle wrapped with PVC tape and a 4" length of 3/4" hose.

When it is necessary to disconnect the battery cable from the starter switch, the insulated wrench is to insure you will not short out the battery to the stem on the adjacent starter switch. Unless you have an insulated wrench it is very easy (probably inevitable) that you will touch the stem and throw sparks.

When the nut is off the switch very carefully lift the battery cable off the stud and slip the hose over it to insulate it from ground. This can also be a spark thrower if you touch the cable end to ground. Once the hose is slipped over the cable end then you can safely remove the starter or make other repairs.

The hose can be, heater or garden type, but make sure it is large enough to slip over the battery cable end.

Those with 12 volt conversions may already have a disconnect switch so they can disconnect the power at the battery, and the importance of the tools is nil.

In addition to the shop tool box I try to keep a set in both Model A's. RG

5/8" Combination Wrench wrapped with PVC tape and 4" length of hose.

Era Fashion

L' Echo de Paris

No. 5899. Contrasting materials accent a smart yoke, extended to form drop shoulders and cut in points front and back.

No. 5937. Tailored lines are practically interpreted in a school frock with a round yoke extended in a tab down the front.

No. 5966. A one-sided effect is lent to an attractive frock by a band cut in one with the skirt, extending around the neck.

The Rumbleseat Review is the official publication of the Wichita A's Model A Ford Club, Inc, a local chapter of the Model A Ford Club of America and the Model A Restorers Club. It's purpose is to keep members informed of past, present and future events, activities, and club news. In addition, this newsletter includes articles and other information to aid in the restoration and enjoyment of the Model A Ford automobile.

This publication is mailed to members, prospective members and editors of similar publications prior to monthly meetings. Meetings are usually the fourth Monday of the month. Members may publish antique car related ads only for free of charge which includes items wanted, items for sale, or items for trade. We invite members to submit articles containing technical Model A information and other interesting tidbits for publication in this newsletter. Items to be published must be submitted to the newsletter editor by deadline shown in the calendar. Wichita A's membership dues are \$25.00 (new members) and \$20.00 (renewals), per year (October to September 30). MAFCA dues are \$40.00 per year and MARC dues are \$38.00 per year. An advertisement in this newsletter is \$15.00 per year.
